

PRAYER ACTIVITY

Angel of Light

● Equipment

Light card or paper, pens, tape

● Set up

Search for an angel shape online. Print or copy this onto the card and cut it out

● Instructions

Is someone you know going through a difficult or a 'dark' time?

As you decorate the angel shape, think about the person. What would bring light into their darkness today? What would you like God to do for them?

Tape the angel to the light switch or the pull cord in your bathroom as a reminder to pray for them whenever you turn on the light.
